## **VIOLATION NOTICE**

In January 2024, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), notified Oatsvall Construction of the requirement to submit a 2023 Annual Emissions Report, with the required submittal date of March 15, 2024. In response to the non-submittal of this report, a second letter was sent on March 30, 2024, requesting immediate submittal of the MiEnviro Annual Emissions Report form for the state of Michigan required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. A copy of the March 30, 2024, letter is enclosed for your reference.

At this time, we still have not received Oatsvall Construction required MiEnviro reporting forms and you are hereby notified that this constitutes a violation of the above referenced act and rule. Please submit the required MiEnviro reporting forms within (14) days of the date of this letter.
