Next Steps:

A written response should be submitted through MiEnviro Portal by **November 3, 2026,** and include all of the following:

- the dates the violations occurred;
- an explanation of the causes and duration of the violations;
- whether the violations are ongoing;
- a summary of the actions that have been taken and are proposed to be taken to correct the violations; and
- the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If the Company believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, provide appropriate information to explain your position in your response to this letter.

Thank you for your attention to resolving the violations cited above and for the cooperation that was extended to me during my inspection. If you have any questions

regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,
Ben Witkopp
