Ms. Emily Crimmins
Environmental Quality Analyst
Air Quality Division-Bay City District Office
Michigan Department of Environment, Great Lakes, and Energy

Dear Ms. Crimmins:

This letter is response to the R336.1201 (Rule 201) violation where the facility modified adhesive material used in spray booths as evaluated and permitted in PTI No. 255-03A.

The date of the violation occurred is 8/19/2026.

The causes and duration of the violation; the demonstration of change was not received by the Air Quality Division in accordance with the expectations established after the inspection.

Violation is currently ongoing until corrective action is taken.

Actions to be taken will include a permit modification to include the change in materials used in the FGADHESIVE process, SikaTherm- 4120 to SikaSense-120. We anticipate having the permit modification completed no later than 11/6/2026.

Thank you for your time.

Sincerely,

Scott Forbes
