Dirk Peterson
Alpha Baking
1661 28th Street SW
Wyoming, Michigan 49519

SRN: N7543, Kent County

Dear Dirk Peterson:

VIOLATION NOTICE

On July 29, 2026, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) conducted an inspection of Alpha Baking (Company) located at 1661 28th Street SW, Wyoming, Michigan. The purpose of this inspection was to determine the Company's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, MCL 324.5501 *et seq*; the Air Pollution Control Rules, Mich Admin Code, R 336.1101 *et seq*; and the conditions of Permit to Install (PTI) No. 71-06.

Violation:

During the inspection, the following violation was observed:

Process Description	Permit/Rule Violated	Comments
FGPROOFBOX – dough production and proofing processes of yeast-risen dough	PTI, FGPROOFBOX, Special Condition (SC) 1.1 and R 336.1702	Emission Limits – Exceedance of the volatile organic compound (VOC) emission limit of 1705 pounds per month. Actual emissions were over 7000 pounds per month.

The PTI, FGPROOFBOX, SC 1.1 limits the emissions of VOCs to 1705 pounds per month. Records provided by the Company demonstrate that the emissions of VOCs from the FGPROOFBOX process equipment were over 7000 pounds per month, which exceeds the permitted emission limit. This is a violation of the PTI, FGPROOFBOX, SC 1.1.

VIOLATION NOTICE

Dirk Peterson

Next Steps:

A written response should be submitted through [MiEnviro Portal](#) by **October 6, 2026**, and include all of the following:

- the dates the violation occurred;
- an explanation of the causes and duration of the violation;
- whether the violation is ongoing;
- a summary of the actions that have been taken and are proposed to be taken to correct the violation, and
- the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If the Company believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, provide appropriate information to explain your position in your response to this letter.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Scott Evans
Environmental Quality Analyst
